About Us

Polytra sarl is a family owned business, operating in Lebanon, the Middle East, and Africa since 1954, specialized in the Medical Equipment field.

Our company offers a wide range of services including medical equipment and furniture, technical services and consultancy to many hospitals, clinics and other related medical public and private sectors in Lebanon and the neighboring countries.

In order to successfully satisfy your needs, our company has put at your service a professional team of technicians and specialists, who constantly undergo international trainings in the field of medical healthcare.

Thus, providing the customers with a total package of services combining best quality, top performance and expertise is our utmost priority.
